Main focus of the institution

Your role in the institution

Ihr Projekt

What was your project called?

Please give a brief description of your proposed project (main activities, timings, duration).

What were the goals of your project?

What role did the children or teenagers play in planning or creating the project?

When was your project implemented?

How old were the children or teenagers you worked with (grade, age etc.)?

Where there any project partners and if so, who were they (parents, other institutions etc.)?

What technical equipment/ media did you use for your project?

Please also answer these additional questions.

How would you describe the success of your project? Are there any experiences you would like to share? Did you face any challenges during the project and if so, how did you solve them? Will the project be continued or will there be other projects on safe media use and/or learning with digital media? Can the project be adapted by others and if so, are there any materials for that?

Statement

Why should your project win?

Additional materials

Supplementing your project description with photos, videos, paintings, quotes from the children and teenagers and other documentation material is an important part of your submission. Please submit relevant material together with this form.

We hereby apply for the competition „Media, sure! But secure. We give our consent to the publication of our application including the name of the institution for reporting purposes by Deutsche Telekom and Teachtoday. All decisions are final.

Submission

Applications can be submitted via email or download link (using e.g. Dropbox, Yousendit or WeTransfer).

Place, Date
